

SALLYPORT RECEIVES AWARD FOR WORK AT MANAS AIR TRANSIT BASE

BRIDGEVILLE, PA. – October 5, 2009 – The Commander of the 376th Air Expeditionary Wing at Manas Air Transit Base, Kyrgyzstan, Colonel Blaine Holt, recently recognized Sallyport Global’s Civil Engineering Team as the Operations Team of the Month on the base. This is the first time that such an award has been granted to contractors and is reflective of the outstanding work of the Sallyport team and the URS-Berger AFCAP JV.

Nick Gross, Sallyport V.P. of DoD Programs pointed out that “It’s a remarkable achievement given the concerns of the USAF 15 months ago when we were the first set of Contractors to take over the duties of a USAF Civil Engineering Squadron.” To-date Sallyport has achieved close to perfect performance metrics in the area of customer satisfaction and the presence of our personnel are permitting USAF personnel to deploy on a cycle which allows for more time at their respective home-stations.

About Sallyport Global Holdings Sallyport provides global procurement, logistics, construction, base operations support, fire & emergency services and security services to companies and government organizations operating in remote regions, disaster areas and high threat environments. It's team of experienced professionals have proven that that can quickly procure, build, operate and maintain operational facilities in remote regions of the world and respond to threat environments in less than 30 days. *For more information, visit www.sallyportglobal.com*
